riginal, entertaining, and educational book of riddles and rhymes for children and adults, written in Serbian and English language. Designed to stimulate imagination, creativity, logical thinking, problem-solving skills, and a sense of rhythm and rhyme. The book consists of three parts. The first part contains riddles and rhymes, enhanced with magically beautiful color illustrations. The second part of the book consists of worksheets and coloring pages. The third part of the book is the author's take on the tasks from the worksheets. This book encourages the whole family to have fun and memorable get-together time. Put all problems aside and enjoy your time with your children.

These birds are rainbow queens and kings;
With eyes on tails and shiny wings.
They sing the notes they cannot reach, they're gorgeous but they really screech.

On the land or in a bay, a violin will play and play.

It echoes out its strumming beat amid the stifling summer heat.

He doesn't have a bow or strings, but some may have a pair of wings!

Le is big just like a boat, from danger, this one does not bolt. Although in the water he can't swim, just wallowing is fine by him. He's mostly found in the Nile his neighbor is a crocodile.

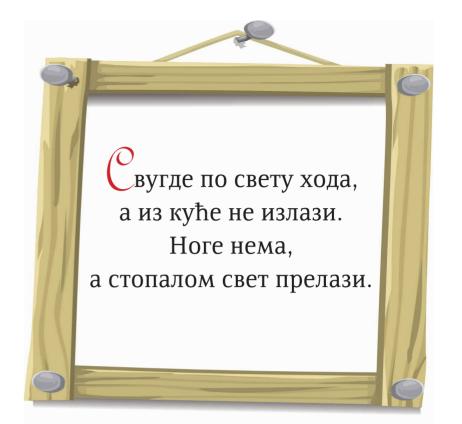

They have two wings and two small legs.
They have small beaks and run 'round quick, you guessed it now, why it's a
